Sawston
Village College

Principal: Mr J P Russell

17 April 2024

Dear Peter

Support for Arts Award at Sawston Village College

We are delighted to have received £1,500 from the Arts Society South Cambs for support with our Arts Award programme. Please pass on our thanks to your members.

We always work hard to ensure that our pupils experience a broad range of high quality arts experiences, and completing Arts Award has helped to channel our focus in this. We are also pleased to have been a Trinity Champion Centre for Arts Award for a number of years in recognition of our Arts Award successes. Having our Year 7s achieve the Bronze Arts Award, a recognised certificate, in the first year they are with us underlines our high expectations for them and, at the same time, sets them up well for their future with us. As you likely know, we are also working hard to grow the numbers of pupils succeeding in Arts Award at Silver and Gold levels and so it is therefore very heartening to have your support in our endeavours.

I would be very grateful if you could extend my gratitude to your committee and members.

Yours sincerely

Mr J Russell
Principal
